Welcome

Dressage@Bloomsburg is a fundraiser event hosted by Mountain Laurel Pony Club.

The mission is to bring a quality dressage instructor to the area to benefit the riding skills of dressage competitors, and support the activities and riders of the Mountain Laurel Pony Club.

This year we are featuring Lendon Gray for two days of one-hour group lessons, at the indoor Horse Arena of the Bloomsburg Fairgrounds, Bloomsburg, PA.

Each mounted participant will enjoy a one-hour lesson with 4 or 5 riders under Lendon's guidance. Following the lesson we will have an L rated judge score one dressage test for each participant. All participants are welcome to stay for the two day program. Our hope is to have 85 mounted participants.

Anyone wishing to 'Audit' the weekend is welcome to do so. There are bleachers on both sides of the arena. Bring blankets... they're aluminum seats!
